---

## **PRESS RELEASE**

May 18<sup>th</sup>, 2020

It is with great sadness that we announce that the Baroda July 3<sup>rd</sup> Fireworks is cancelled due to the continuing uncertainty of COVID-19 Pandemic. The Baroda Township Board made the decision with concern for the health and safety of the participants and our Community's First Responders that organize the event.

We believe that this decision is in the best interest of the health and safety of our wonderful community and those that visit us on July 3<sup>rd</sup>. After discussions with leaders of the Baroda Fire Department, Baroda-Lake Police Department and the Berrien County Sheriff's Department; it is evident that given the sheer numbers of people who attend this annual event, they cannot ensure proper social distancing and the safety and health of residents, visitor and emergency responders during this event.

"I am disappointed, as I am sure thousands of residents and visitors will be, too," said Fire Chief / Fireworks Chairman Larry Klug at Monday night's Township Board Meeting.

The Baroda Fire Department and the July 3<sup>rd</sup> Fireworks Committee thanks all of those that work so hard year after year to make July 3<sup>rd</sup> Fireworks a success in Baroda. We hope everyone is able to stay in good health and enjoy the summer ahead.
