The DPW committee will consists of President Price, Trustee Feickert, and Clerk Denton. Leonard Krone would be a backup. IV. Council Comments

- A. President Comments-
- B. Council Member's Comments- Trustee Strefling commented on how loud Chill Hill music was at the last concert of the year. The discussion of a noise ordinance and other options needs to be discussed by the council and planning commission during the winter season. Trustee Tollas filed a motion to talk to the Planning Commission about reviewing a noise ordinance for the village of Baroda. Trustee Lewis second the motion and a roll call vote of all ayes motion carried. Trustee Tollas discussed the issues of the maintenance department and if hiring one more full-time employee may not be enough to run the department. Clerk Denton

recommends a full-time supervisor, one full-time, and a couple of part-time employees. Clerk Denton feels a supervisor will keep the checks and balances at the maintenance department working on lists to make sure all the Village workloads will be done in a timely manner, keeping all paperwork current while rebuilding the maintenance into its own department. Trustee Strefling recommends typing up a posting to hire a full-time working supervisor and what the job would detail to look at hiring and a rate of hire to start. Trustee Krone feels it would be a working role not just supervising, one other full-time and a part-time employee. After a discussion Clerk Denton will write up a job posting for a full-time working supervisor.

- C. Audience Comments- one suggestion is to write up and have a new employee sign a newly written policy and procedure document that will detail the job and what is expected, and a document used to write an employee up for not following the guidance of the document. Have a sit down with the maintenance and have a discussion of appreciation from the council and see how the work is going. Clerk Denton will schedule interviews and if Trustee Feickert can't make an interview President Price filed a motion to allow Trustee Krone to step in for Trustee Feickert for interviews supported by Trustee Tollas. A roll call vote of all ayes motion carries.

Respectfully submitted by:

Mike Denton
