## From the Village Hall

Summertime is the best time get out of the house, Stretch those legs and enjoy the Village and what it has to offer. The maintenance Department has been busy working on all the projects to keep the Village looking good. **Arnt Asphalt** needs a **BIG THANK YOU!!!** from Baroda the Tennis, and Basketball courts look great. With summer time upon us please keep yourself hydrated in the heat and always keep thought of your furry friends and how this heat will affect them. Also one more **BIG Thank you** to Doreen Schultz as she volunteered her time to plant and donate flowers by the flag pole and Nyes on main street. During summer as the Clerk I noticed water bills start to get a little larger do to outside watering and pools. Please remember as you water the flowers or yard that water is a commodity and it can get very expensive quickly. A common practice I like to do is always check your hose connections for leaks that simple drip can be 100s of wasted dollars to your water bill. Conservation is key when everything else in this world seems to be skyrocketing in price. Please everyone have a safe and eventful Summer. First Music in the Park Sunday 26th with the band Yesterdays Children bring a snack and enjoy from 6pm to 8pm.

# Village of Baroda Postings

## BARODA HAS A NEW PRESIDENT

Mike Price is working hard to oversee the Village as the new President. He brings years of being on the council making decisions on agenda topics. The Presidents role will help out the village office as a lead role in handling business the village may need done.

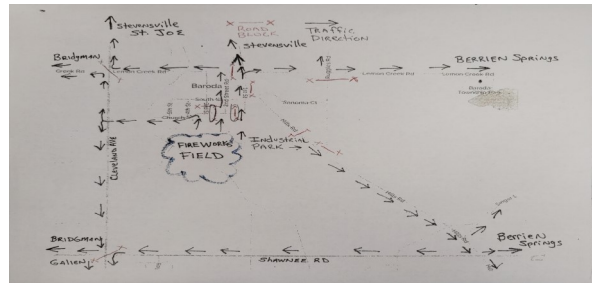

The office is fully staffed now making it easier to get the day to day work done plus the little extras a President may need to be involved in. The council also has appointed a President Pro-Tem in Mel Tollas. Pro-Tem Tollas is one of our newer council members and is always willing to help better a situation or volunteer to help out anyone she may know. I Clerk Denton feel the Village and office are headed in the right direction.

### Village Hours

**8:30 to 4:30 Mon– Thursday**

## July 3rd Fireworks

The Village has been working with the Township and Fire Chief Gaul on background issue for the Fireworks. I've been told this years show will be simply amazing with a few different twists added to the already great show from years past. Clerk Denton has posted a traffic map for how the Baroda lake Police department will direct traffic before and after the

## The Village Park

The park is truly being utilized this year with most every weekend booked full. The maintenance crew has been working behind the scenes to bring some smaller issues not recognized up to be fixed. The Village is always discussing many ideas to make the park safe and fun. The park is essential and I appreciate any one who helps to keep our park safe and clean. Any issues please call the office (269) 422-1779

## Enforcement officer

The Village enforcement officer Duane Miller has been out patrolling looking for ordinance related offences

Please if he stops at your house he is only there to look and inspect issues that The Village of Baroda already have for ordinances. Duane is a respectful officer and truly listens and wants to help out any situation before it becomes a fee or fine.

Please treat him with respect if he does stop and talks with you please take him serious and contact the village if any questions.
