Members Absent: Steve Jasper

Guests Present: David Ott

Council Meeting called to order at 6:00 p.m. by President Getz.

David Ott presented a proposal for making an outdoor seating area on the existing slab at his property on First St. He would like to put up a wrought iron fence to enclose it and put up tables. His thought is to have it be available for people to come sit outdoors and enjoy local wine or beer (they would have to bring it from the winery in a corked bottle). He did say he doesn't have specific use necessarily but that is his initial idea.

The Council required he install the fence he presented at the meeting.

- The fence is 29" tall with rounded top and will sit on a 10" cement pad.
- He will have 3 entrance gates that will open to the inside, along with handicap ramps to be ADA compliant.
- He will have rebar in the concrete to be sure it is stable.

Mr. Ott stated that he will have the project complete by the court required November 1, weather permitting.

After some discussion, a motion was made Trustee Nye, supported by Trustee Sluder. All ayes, motion carried.

Meeting adjourned at 6:15 p.m.
