 - A. Invoice from Township for extra expenses – President Getz presented the invoice for painting at the Township building. He stated that he doesn't feel we should pay it as the Township did not contribute towards the street work at Ruggles and Lemon Creek. After much discussion it was decided that we have a contractual duty to pay our portion of improvements and the street work is a separate issue. President Getz will be attending the Township Board Meeting to bring it up to them.
 - B. Drainage by Jack Bauer's home – President Getz stated that there are drainage issues at the end of First Street and would like the engineers to take a look at options to correct it while they are here working on the Industrial Park road.
 - C. Midwest Glass Estimate – Trustee Rath asked for an estimate to replace the glass in the Village office to bullet proof glass. After much discussion it was decided that the estimate was too much and we will continue thinking of a way to improve safety. Cameras and a call button were a couple of options.
 - D. Resolution to fix email vote – A resolution was presented to properly handle the vote last month for road work that was done via email. A motion was made by Trustee Nye, supported by Trustee Turney to pass resolution #6 to Correct Email Vote. All ayes, motion carried.

- E. Chemical Bank – President Getz and Clerk Martin shared some frustration regarding the customer service we have been receiving (not) from Chemical Bank. They met with representatives from Honor Credit Union to discuss moving the Village's money to their institution. After much discussion a decision was made that we would meet with the management of Chemical Bank to see if they can correct the issues. If not, we will revisit moving the money.
- F. Engineering Company for water & sewer – After much discussion and revisiting this a third time, there was a motion made by Trustee Krone, supported by Trustee Turney to move forward with the contract from Fleis & Vandenbrink to take over operations for our water and lagoons. All ayes, motion carried.
