Council Meeting:

I. New Business

- A. Dump truck bed repair – President Getz stated that DPW Hoffman took the freightliner to Ray's Welding to get an estimate on repairing the bed of the truck. After looking over the truck, it appeared to be in much worse condition than what we thought. After much discussion, it was decided to get the work done ASAP as it wasn't safe to use the dump bed in the current condition. A motion was made by Trustee Nye, supported by Trustee Turney, to have the truck bed repaired by Ray's Welding, ASAP.
