Present: Ed Rath, Bob Getz, Ron Zordell and Brad Mattner

Absent: John Zelvis, Jerry Jakubs, Barry Gidley

Meeting was called to order by Ed Rath at 6:30pm with the pledge of allegiance.

Mr. Ellis came to the meeting to discuss a new business he would like to open at the corner of Cleveland Ave. and Lemon Creek Rd. (Strefling building). It would be a car detailing and washing business.

There are currently 5 cars without license plates sitting on the property, which is a violation of the Village ordinance. He stated that he will have them removed.

Rental inspections – no action taken. Discussed commercial properties with residential rental above. Will see what other properties are doing.

The next Planning Commission meeting has been set for April 15, 2019.

Meeting was adjourned at _____.

Respectfully Submitted,

Tina Martin (Ron Zordell notes)
