Joint Recreation Plan Survey and Updates

UNFINISHED BUSINESS

Ordinance Amendments

Chairman Mattner discussed ordinance amendments procedure so the Village of Baroda Planning Commission is aware of the process and the ex officio members can inform the Village of Baroda Board of Trustees the process. Great discussion was had.

HEARING OF CITIZENS

Mel Tollas stated she felt the Village of Baroda Board of Trustees would find it very beneficial if Chairman Mattner could attend the Village of Baroda Board of Trustees meeting if his work schedule would allow.

There was great discussion throughout the meeting between the Village of Baroda Planning Commission and the residents in attendance.
