COUNCIL MEMBER COMMENTS:

R. Feickert- Thanked those who helped to keep the office running in the absence of a clerk. We learned that one we were too worried about getting the numbers right, we forgot to vote in the general appropriations act and two last month we paid \$750 before the approval of the contract. Don't get so lost in discussion that we forget what the take away was.

Asked about the handicap parking spaces being painted. Stated he did not see the building occupancy limit posted. Lastly, thanked Julie and others for attending CGA meetings and other various meetings.

N. Andrews- Asked about looking into the attorney contract

J. Elliott- Stated it has been a very tumultuous last few months. We have a resolution and are moving forward. Has learned a lot during her time on the board. Thanked Mike and Mark for keeping the office running.

K. Zordell- None

S. Hillhouse- Stated he was one to sign the petition, he said yes to the commission because it would be nice to see the information. To see we picked our three and the other side didn't, that, turn him away.

J. Lewis- None
